

DISCLAIMER/RELEASE FORM

Halotherapy is 100% natural, safe, and drug free, providing effective long-term relief. It can be used as a complementary treatment to prescribed medications or as a sole treatment. When Salt care is used as a complementary treatment, it can increase the effectiveness of prescribed medications and decrease the amount prescribed. Although published studies do indicate that Halotherapy appears to have health benefits as an addition to more traditional forms of medicine, Revive Salt Therapy & Wellness LLC does not claim to be a replacement for medication or any medical treatment of any kind. Only your personal physician or other health professional can best advise you on matters of your health.

The research supporting the use of Salt Care was undertaken outside of the USA and hasn't been filed with FDA for approval. Halotherapy should be avoided during the acute phase of any illness, including the following: infections accompanied by fever, acute active tuberculosis, cardiac insufficiency, COPD in the third stage, bleeding, spitting of blood, contagious ailments, have use of an oxygen tank to aid breathing, alcohol or drug intoxication, unstable or uncontrolled hypertension, and acute stages of respiratory diseases. During pregnancy please consult with your doctor before using Halotherapy.

I, _____ hereby release Revive Salt Therapy & Wellness LLC and its directors, officers, employees, agents and professional staff from all actions, causes of action, suits, claims, liability, damages and demands of any kind, whether direct, indirect, special, exemplary or consequential, including interest thereon (the Claims) which may occur as a result of any injury including death sustained by myself or others resulting from the receipt of Salt care. During the Halotherapy session, Revive Salt Therapy & Wellness LLC, is using pure and untreated 99.9 % sodium chloride only. I fully understand the above disclaimer and use the Halotherapy at my own risk.
